

MARIAN MOTHERS

WOMEN TO WOMEN – NOVEMBER 2017 Newsletter

Hi everyone, Special thanks to Mary Anne Carr-Neil for this month's reflection.

Chapter News: Michel Macquet of France and I spent four days at the Society of Mary General Chapter. Laity presented 4 papers which were the collated responses of Lay delegates from Madrid 2015 and these papers were integrated into the overall work of the Chapter. The papers were well received but it was up to the Chapter to make their decisions which we have no information about until they are published possibly in December.

New Superior General: Fr John Larsen, a Kiwi who has been in Asia for over thirty years, was elected as the new Superior General and the new general council is John Harhager (Vicar General), Ben McKenna, Juan Carlos Piña and Paul Walsh. We congratulate them and assure them all of our prayerful support and also express our thanks and appreciation to all the outgoing council. At the Marist Family Mass Marist Laity presented Fr John Larsen with a NZ Prayer Cloak made by Grace Bower, reminiscent of a Maori Korowai. It was blessed by Pope Francis and carries many symbols of Religious life, leadership and the vision of Marists and Pope Francis for a revolution of tenderness. Information about it is on the website.

Advent starts this month and if your group is not meeting for Advent prayer please let us know. We also wish those of you who are concluding this month, a Blessed Christmas and Happy New Year and remind you that newsletters resume in February 2018.
